Eucharistic Minister Substitution List

The following is a list of Eucharistic Ministers that may be called to substitute in your absence. If you are unable to serve on a weekend you are scheduled, we ask that you please call one of them and arrange a replacement for yourself. It is very important that we always have enough Eucharistic Ministers for each Mass. On the same token, if you are attending a Mass that you are not scheduled to serve and there aren't enough ministers, it would be greatly appreciated if you would come forth and help. This doesn't happen often, however, at times, there may be some extenuating circumstances when people are unable to serve (even though they may be scheduled). We also always appreciate your help on the weekends that we are short scheduled Eucharistic Ministers. Thanks so much for watching and making sure those openings are filled.
